F. and Maternity Hospitals, from 1st January 1940 to 31st December 1940, both days inclusive.

2. No tenders will be received after the date and hour abovenoted.

3. Tenders to be superscribed "Tender for the supply of Provisions to the L. F. & Maternity Hospitals, Chintamani."

4. No tender will be received unless accompanied by a deposit of Rs. 50 in Treasury Receipt.

5. Tenders will be opened by the District Medical Officer in charge, at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rate for each item must be specified in figures as well as in words, and they must be for the particular kind or brand of articles as specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the lists are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting the same.
